REMINDERS:

Fill in the team names and the date of the game at the top of the page. In the case of double headers, enter the game number after the date. (Example, 4/20/2010 Game 1 of 2) If you know the game number that is assigned on the master schedule, you can enter that as well.

INSTRUCTIONS FOR SENDING:

After you have completed filling in the entire score sheet, go to file and then save. You should be forced to save it to a location on your computer. Choose a place to save it on your computer. You can name the file anything you want, just do not alter it's file type.

Once the file is saved, send it as an attachment (do not copy and paste the entire thing into the email window) to bb88101@comcast.net.

I highly recommend sending this via email. Email is the quickest and most efficient way for the stats to be updated. Usually, I will update the statistics as soon as I get the email. However, if you are unable to use email, you can print this sheet and mail it to me. You can also hand deliver the sheet to me if I would happen to be officiating one of your games in the near future.
